The latter gentleman is actually on live journal as  anachronaut. His design work is just *guh*. Beauty, brains, and talent, *le sigh*....

 cvillette

January 7 2008, 22:20:28 UTC COLLAPSE

Anachronaut! Now there's a career I could go for. I mean, if I stop going for this one.

January 8 2008, 01:19:05 UTC COLLAPSE

You'd be odd at it.

By the way, while you were hacking up your other lung, I went climbing. And and and and Gary brought HIS DOG to the gym.

She's a red Siberian husky. And get this--heterochromous. One hazel-brown eye, one mostly blue with a hazel chip in it. I was so sad you weren't there!

Also, they put up all kinds of new routes over the holidays. I'm so screwed.

 cvillette

January 8 2008, 01:38:23 UTC COLLAPSE

I am odd at everything. *g*

Aww, coyote-like and crooked-eyed! We'd have bonded. Maybe he'll do again...

New routes = point. You get to try new stuff and get good at it.

Did you take up a collection for my memorial? Because I am DYING NOW.

 trollcatz

January 8 2008, 01:40:14 UTC COLLAPSE

Best dog in the world. She was making the rounds collecting her tithe of scritchies, and she knew not to talk to people who were belaying.

You're not allowed to die. There's a new 5.12+ I wanna watch you fall off of.

 cvillette

January 8 2008, 01:42:24 UTC COLLAPSE

I am perked right up. *g*

Though I feel as if I already have. Cratered, man, without the fun part first!

 [trollcatz](#)

[January 8 2008, 01:43:11 UTC](#) [COLLAPSE](#)

Also you cannot die until you've learned enough first aid.

 [cvillette](#)

[January 8 2008, 01:46:10 UTC](#) [COLLAPSE](#)

Enough first aid to... come back from the dead?

What is *enough* first aid?

 [trollcatz](#)

[January 8 2008, 01:50:40 UTC](#) [COLLAPSE](#)

I'll tell you when you've learned it. *g*

 [cvillette](#)

[January 8 2008, 01:58:55 UTC](#) [COLLAPSE](#)

As long as you don't mean to tell me tomorrow, this is a good rule.

 [trollcatz](#)

[January 8 2008, 01:59:01 UTC](#) [COLLAPSE](#)

No, seriously, there is a basic curriculum. You're kind of getting more than that, just because I know extra stuff and you learn like a learny thing.

And given the job, godonlyknows what you might need.

I just wish any of it covered influenza, damn it. Did the ice cream arrive safely, and did I pick out reasonably attractive varieties of Boxes o' Soup? (I love those four-serving aseptic-box organic soups. Instant comfort food.)

 [cvillette](#)

[January 8 2008, 02:03:00 UTC](#) [COLLAPSE](#)

The tomato basil is surprisingly good. I think. I can nearly taste it, when I add garlic.

And yes, the ice cream got here fine. I'm just not really hungry enough to eat it.

Have the men come by to paint the big red cross on the door yet?

 [Ometotchtli](#)

[January 8 2008, 02:12:43 UTC](#) [COLLAPSE](#)

Ice cream! High-density calories! Eat the ice cream. Otherwise you get too skinny and wash down shower drain. Never mind plague.

 [cvillette](#)

[January 8 2008, 02:13:28 UTC](#) [COLLAPSE](#)

It makes me snotty. And nauseated. Nauseated != hungry.

 [trollcatz](#)

[January 8 2008, 02:20:12 UTC](#) [COLLAPSE](#)

That's what the lemon sorbet is for.

 [cvillette](#)

[January 8 2008, 02:46:58 UTC](#) [COLLAPSE](#)

Hurts throat.

Yes, I am a whiner.

I am drinking juice. I promise. Lots and lots, And chicken and tomato soup.

I think I shall demand my tithe in pretty archaic boys from now on.

MINIONS!

 [trollcatz](#)

[January 8 2008, 01:40:42 UTC](#) [COLLAPSE](#)

I knooooow! Sultry and well-dressed.

Why do guys not know how effective stuff like that is? Do we not oooh and aaah in sufficiently public venues?

 [cvillette](#)

[January 8 2008, 01:44:54 UTC](#) [COLLAPSE](#)

We're not supposed to care about that. It's not macho.

...but it beats black nail polish.

Actually, I kind of like the tan one. Although I am not sure about the pin in the collar.

 [trollcatz](#)

[January 8 2008, 01:45:11 UTC](#) [COLLAPSE](#)

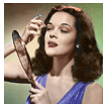

If you wore that, girls would line up to lick you.

 [cvillette](#)

[January 8 2008, 01:45:26 UTC](#) [COLLAPSE](#)

...and who cares about macho?

 [Ometotchtli](#)

[January 8 2008, 01:53:16 UTC](#) [COLLAPSE](#)

The one with the ivory-headed swagger stick?

Mmmmmmm.

"hey, honey, want me to hold your swagger stick?"

 [cvillette](#)

[January 8 2008, 01:57:45 UTC](#) [COLLAPSE](#)

Number five. Same model.

The one who has hair that looks kind of like mine does after you've spent an hour fussing with it.

 [Ometotchtli](#)

[January 8 2008, 02:17:01 UTC](#) [COLLAPSE](#)

Oh, the "Who knew Thomas Jefferson was hot?" one. You betcha. You're right, though, needs a better shirt and neckcloth.

Also, you have better shoulders than he does.

An hour, phooey. Fifteen minutes max on a bad day.

[cvillette](#)

[January 8 2008, 02:18:18 UTC](#) [COLLAPSE](#)

Today, for instance.

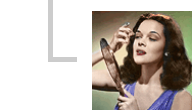

[cvillette](#)

[January 8 2008, 02:19:44 UTC](#) [COLLAPSE](#)

That's 90 minutes, Guy Time.

I have shoulders? Since when? You required photographic proof of my puny biceps, as I recall.

[Ometotchtli](#)

[January 8 2008, 02:22:05 UTC](#) [COLLAPSE](#)

Shoulders cannot be hidden.

[January 9 2008, 15:41:35 UTC](#) [COLLAPSE](#)

Why don't men dress like that anymore?! It's such a shame.

I'm Alex, and given the awesomeness of those pictures and other links you've posted, I have decided to ~~stalk~~ ~~this journal~~ introduce myself and add you to my flist. A pleasure to meet you.

Hi, Alex.

I have no life, so I must link.
